International School of Discipleship

Venue:

Sierra Leone

Dates:

July **17th** 2024 to August **2nd** 2024

The Apostolic Ministries International

The Apostolic Ministries International (TAMI) is a dynamic, rapidly growing Christian organization that focuses on proclaiming Jesus Christ and planting churches in various nations. TAMI has seen the work of the Holy Spirit transform people's lives as hundreds of churches have been planted in 33 different nations and church partnerships have been established in many other nations over the last 23 years. Under the leadership of Pastor Anison K. Samuel (President) in Canada, Pastor Alias Jacob (Vice President) in the Middle East, and Pastor Prathibha Rao (International Missions Director), TAMI has major mission fields in India, Pakistan, the Middle East, and Africa. Since 2001, the International Schools of Discipleship have been a major contributing factor of TAMI's growth, conducting 33 Bible Schools in 18 nations. Over 12,158 disciples have been trained and equipped by the Word of God and the Holy Spirit to fulfill their God-given calling and ministry. In July 2024, TAMI is conducting another Bible School in Sierra Leone to train more believers to serve in God's growing Kingdom.

Vision

To witness Christ in all nations and to reach out to unreached ethnic groups in an apostolic fashion as part of the great end-time revival, teaching the Word in season and out of season, and demonstrating God's love and power in pulling down strongholds and bringing people to salvation.

Let the Churches Grow

One of the most significant features of the International School of Discipleship is the growth of the participating churches. The trainees are inspired and equipped to serve the Lord in a more effective and powerful way. Over 80% of the students have gone back to their villages and have strengthened the work of the Lord in their own churches. We have many testimonies from our Regional Leaders of the amazing effect of the training in their respective churches.

What is Africa on Fire for Jesus'?

In 2003, TAMI, in partnership with various ministers and churches, conducted the first International School of Discipleship on African soil in the Machuvie Village of Zanzibar. Sixty days of food, accommodation, and training were provided, free of charge, to 151 students hailing from Uganda, Kenya, Zanzibar and Tanzania. As a result of this Bible School, trained men and women of God returned to their villages and spearheaded vibrant ministries in Zanzibar, Uganda, and Kenya. The following year, a Bible School was conducted in Kenya with new student enrollments. In 2005, the third African Bible School was conducted in Uganda where hundreds of people received water baptism. Since 2005, Bible Schools have been held in Burundi, Rwanda, Congo, Ethiopia, Nigeria, Cameroon, and Pakistan. In 2008, a School of Discipleship was conducted in Uvira Prison, Congo, among 220 prisoners, where 124 students obeyed the Word of God and received water baptism.

The students of these Bible Schools are ministered to with love, the leading of the Holy Spirit, and are equipped with the Word of God. When returning to their countries and villages, they move with passion, zealously preaching the Good News of Jesus Christ. There is no limit to what the Holy Spirit will do through them, as they have been transformed by the fire of the Holy Spirit. Unending testimonies of lives set free followed the ministers as they planted churches. As a result, these disciples of Jesus are now walking in newfound confidence in the Word of God. From 2003 to 2023, it has been quite evident that the most effective way of penetrating the nations was to reach out with the Gospel of Jesus Christ by educating local ministers and to empower them. So far we have trained over 12,158 disciples who are impacting the world specially in Africa.

Topics:
