### ON THE COVER

Daniel Batela, once a condemned prisoner, today he pastors a dynamic church and oversees TAMI ministries in Cameroon.

WOW !! That's the only word that comes to mind – everything else seems an overflow..the WOW factor of our God !! It never ceases to surprise us does it? We can only imagine the Shekinah Glory that even the seraphims are careful to look upon (Isaiah 6). It makes a poet out of a simple shepherd boy

*In the heavens God has pitched a tent for the sun.  
It is like a bridegroom coming out of his chamber,  
like a champion rejoicing to run his course.  
It rises at one end of the heavens and  
makes its circuit to the other;  
nothing is deprived of its warmth (Psalm 19:1)*

Imagine young David lying in green meadows, hands pillowing his head as he gazes above in wonder, one with His creator...as he pens these thoughts in his mind – immortal Psalms that will reverberate for ages to come. This is the same glory that gave a young slave girl courage to open her mouth boldly to bring healing and solution to a leprous General Naaman. It makes mighty leaders out of ordinary mortals like us, gives strength to the weak and oppressed, to rise above the challenges they face in their daily lives and respond to their call with "Here I am Lord, send me "

...Nations witnessed the Shekinah glory descend in awesome majesty, as our missionaries went forth, proclaiming good news to the captives and to the lost – Jesus is alive !

*Then it was said among the nations,  
"The LORD has done great things for them."  
The LORD has done great things for us,  
and we are filled with joy.  
Those who sow with tears will reap with songs of joy.  
Those who go out weeping, carrying seed to sow,  
will return with songs of joy,  
carrying sheaves with them. Psalm 126 : 2-6*

Our heroes have returned, bearing exciting reports and astounding testimonies that can only be attributed to the living God that we serve. It gives us great pleasure to bring to you their trophies , their "sheaves" and their "songs of joy" with the prayer that you will be as blessed reading them as were we, in compiling them.

# SHOW ME YOUR *Glory*

BY ANISON SAMUEL

**T**he 'Glory of God' is a prominent theme in the word of God. Its theological significance is understood as we study deeply the words used for it in the Hebrew and in the Greek.

In Hebrew it is called Kabod which means to be heavy or weighty and the Greek word 'Doxa' is defined as 'to give a proper opinion of someone or something'. However to derive a practical application and for our hearts to be stirred up to a deeper communion with God, we need to comprehend the practical implication of this word.

'Glory of God' simply means that which is invisible with God is made manifest in the visible for others to behold and marvel. It is the invasion of God into our present realities. For anyone who knows the awesomeness, faithfulness, power and majesty of God but still seeks to see it displayed in the visible, the answer is 'God's glory'.

Let me list some of the blessing associated with the Glory of God in the Bible.

### **PRESERVATION:**

The root word 'Shakein' often translated 'to dwell' is a word commonly used to describe the 'shekinah glory of God'. It is interesting to observe that Moses relates to God as the one who dwelt (shekan) in the bush (Deuteronomy 33:16) . No wonder the bush when seen enflamed still remained unconsumed. The Lord's glory preserved the bush from being charred into non existence.

### **PROVISION:**

God announced through Moses that He will supernaturally provide for His people. However He specified that the provision will be a result of God manifesting His glory (Exodus 16:7-10).

### **PROTECTION:**

It was the glory of God that prevented the Egyptians from getting close to the Israelites at the Red Sea. God's glory becomes our protection (Exodus 14:8,9,10).

### **DIVINE APPOINTMENT:**

God's glory often becomes the platform upon which divine dictates were given. It became the place where God communed with Moses and gave him direction. The Tabernacle of God became the tent of meeting when God's glory filled it (Exodus 29:42). The word used for 'meeting' is the word 'appointment' in Hebrew. Any manifestation of God's glory is God making an appointment to meet His people. I pray that we will be diligent to keep such divine appointment even when it seems inconvenient.

### **WHAT IS THE SECRET TO ENCOUNTER GOD'S GLORY?**

The scripture speaks in Psalms 91:1 'He that dwells in the secret place of the most High shall abide under the shadow of the Almighty'. The shadow of the Almighty is nothing but His enveloping glory. The key however is to dwell in the secret place of the Most High. The word 'Most High' is the word 'El Elyon' in Hebrew which means 'The possessor of heaven & earth'. The first mention of this word is by Abraham when he addressed the kings that he had helped to be set free. Abraham when he said, 'I have lift up mine hand unto the LORD, the most high God, the possessor of heaven and earth', he was allowing us to have a glimpse of his journey of faith as far as his personal conviction goes. In his refusal to accept any shortcut to wealth and fame, Abraham was reinforcing his faith in the God that He called 'El Elyon' and whom he knew as the one who owns everything and all both in Heaven and on Earth. If a child of God can find his secret place in the revelation of 'El Elyon' he would be preparing himself for an encounter with the 'glory of God'.

The inadequacy of human resource is often the platform for God to reveal His glory. The shortage of wine at the wedding of Cana became the optimum moment for Jesus to showcase His glory. 'Let's hide in El Elyon' the owner of heaven and earth and find our source in Him for everything that we need for the present and for the future and be blessed by the wings of His glory under which we shall find true refuge.

# Never the Same - A Journey -

BY ALIAS JACOB

The Apostolic Ministries International has a God-ordained mandate to impact the world with the good news of the Kingdom of God. We are called to present the Gospel to the lost; disciple nations, feed the hungry, clothe the poor, minister to the elderly, widows and orphans; visit prisoners and reach out to people of all ages in all walks of life. God's heart beats to see every one who have surrendered themselves to Christ, live by applying biblical truth in every facet of their lives. If we have been given the opportunity to learn from Him through various manners, we have a responsibility to reach the same truths to others in different parts of the world.

Precious was adopted in to the TAMI family by John Waweru and Mama Lucy while she was still a baby.

Pastor Alias ministering at Exodus Church, Kochi, India

The disciples learned from Jesus, and their learning is what led them to follow the Great Commission – “Go into all the world and preach the gospel to every creature.” Similarly we are called to encourage our fellow Christian brothers and sisters to be of influence in every aspect of the world around them.

Yes! We – the followers of Jesus Christ are called to Impact the World.

My experience in the months of July, August and September 2015 can be summarized as the re-living of the Acts of the Apostles as written in Acts 8:4-8 – “Therefore those who were scattered went everywhere preaching the word. Then Philip went down to the city of Samaria and preached Christ to them. And the multitudes with one accord heeded the things spoken by Philip, hearing and seeing the miracles which he did. For unclean spirits, crying with a loud voice, came out of many who were possessed; and many who were paralyzed and lame were healed. And there was great joy in that city.” Experiencing such a journey was astonishing. When these written words are being fulfilled at the present moments, it brings an awe to my heart to truly experience that His Word is forever AMEN; and what He did before, He is able and will do it again.

We went to various parts of the world teaching and preaching the Word of God. Unclean spirits came out of many who were demonized. Sick people with various kinds of diseases and struggles were healed. Multitudes heeded to the word delivered by us; and there was great joy in every city we visited.

I am greatly thankful to all the pastors and missionaries who took their time to reach out to the unreached and manifest in the power of the Holy Spirit. My heart with utmost honor cannot miss to mention in short words about the places visited by each of them.

Pastor Darshan and Pastor John Waweru went to Pakistan for a Bible School in Faisalabad. Pastor Anison, Pastor Finney Stephen, Pastor Rodney Lobow, Pastor Prathibha Rao, Pastor John Benjamin and Brother Biju Paul went and conducted a Bible School in Beira, Mozambique.

Then Pastor Anison, Pastor Rao, Pastor Rodney and myself went to Ithanga, Kenya for a Bible School, Africa Pastors Conference and for the ordination of Pastor John Waweru as Bishop.

Pastor Alias & Pastor Jagir Masih awarding certificate to Pastor Mushtaq, one of our senior TAMI Pastor in Punjab.

Annie and I then went to our hometowns - Perumbavoor, Cochin and Thiruvalla sharing the good news and the principles of the Kingdom to our friends and relatives.

We then had a huge Youth conference called "TRANSFORM" in Bangalore with Pastor Ravi (Victory International Assembly of God). In this conference we experienced the transforming power of the Word and the Holy Spirit.

On the other hand, South India was being impacted. The Nepal Bible School had already started with Pastor Rao and Pastor John Benjamin with amazing results. By the time Annie, Monica and I went to Chitwan, Nepal, there was a mighty move of the Holy Spirit. The people were so hungry to receive from God.

After we left Pastor Anison Samuel with Sunil, Susan and Shiji visited Nepal. The move of the Holy Spirit when Pastor Anison preached was electrifying and will have long lasting impact on Nepal.

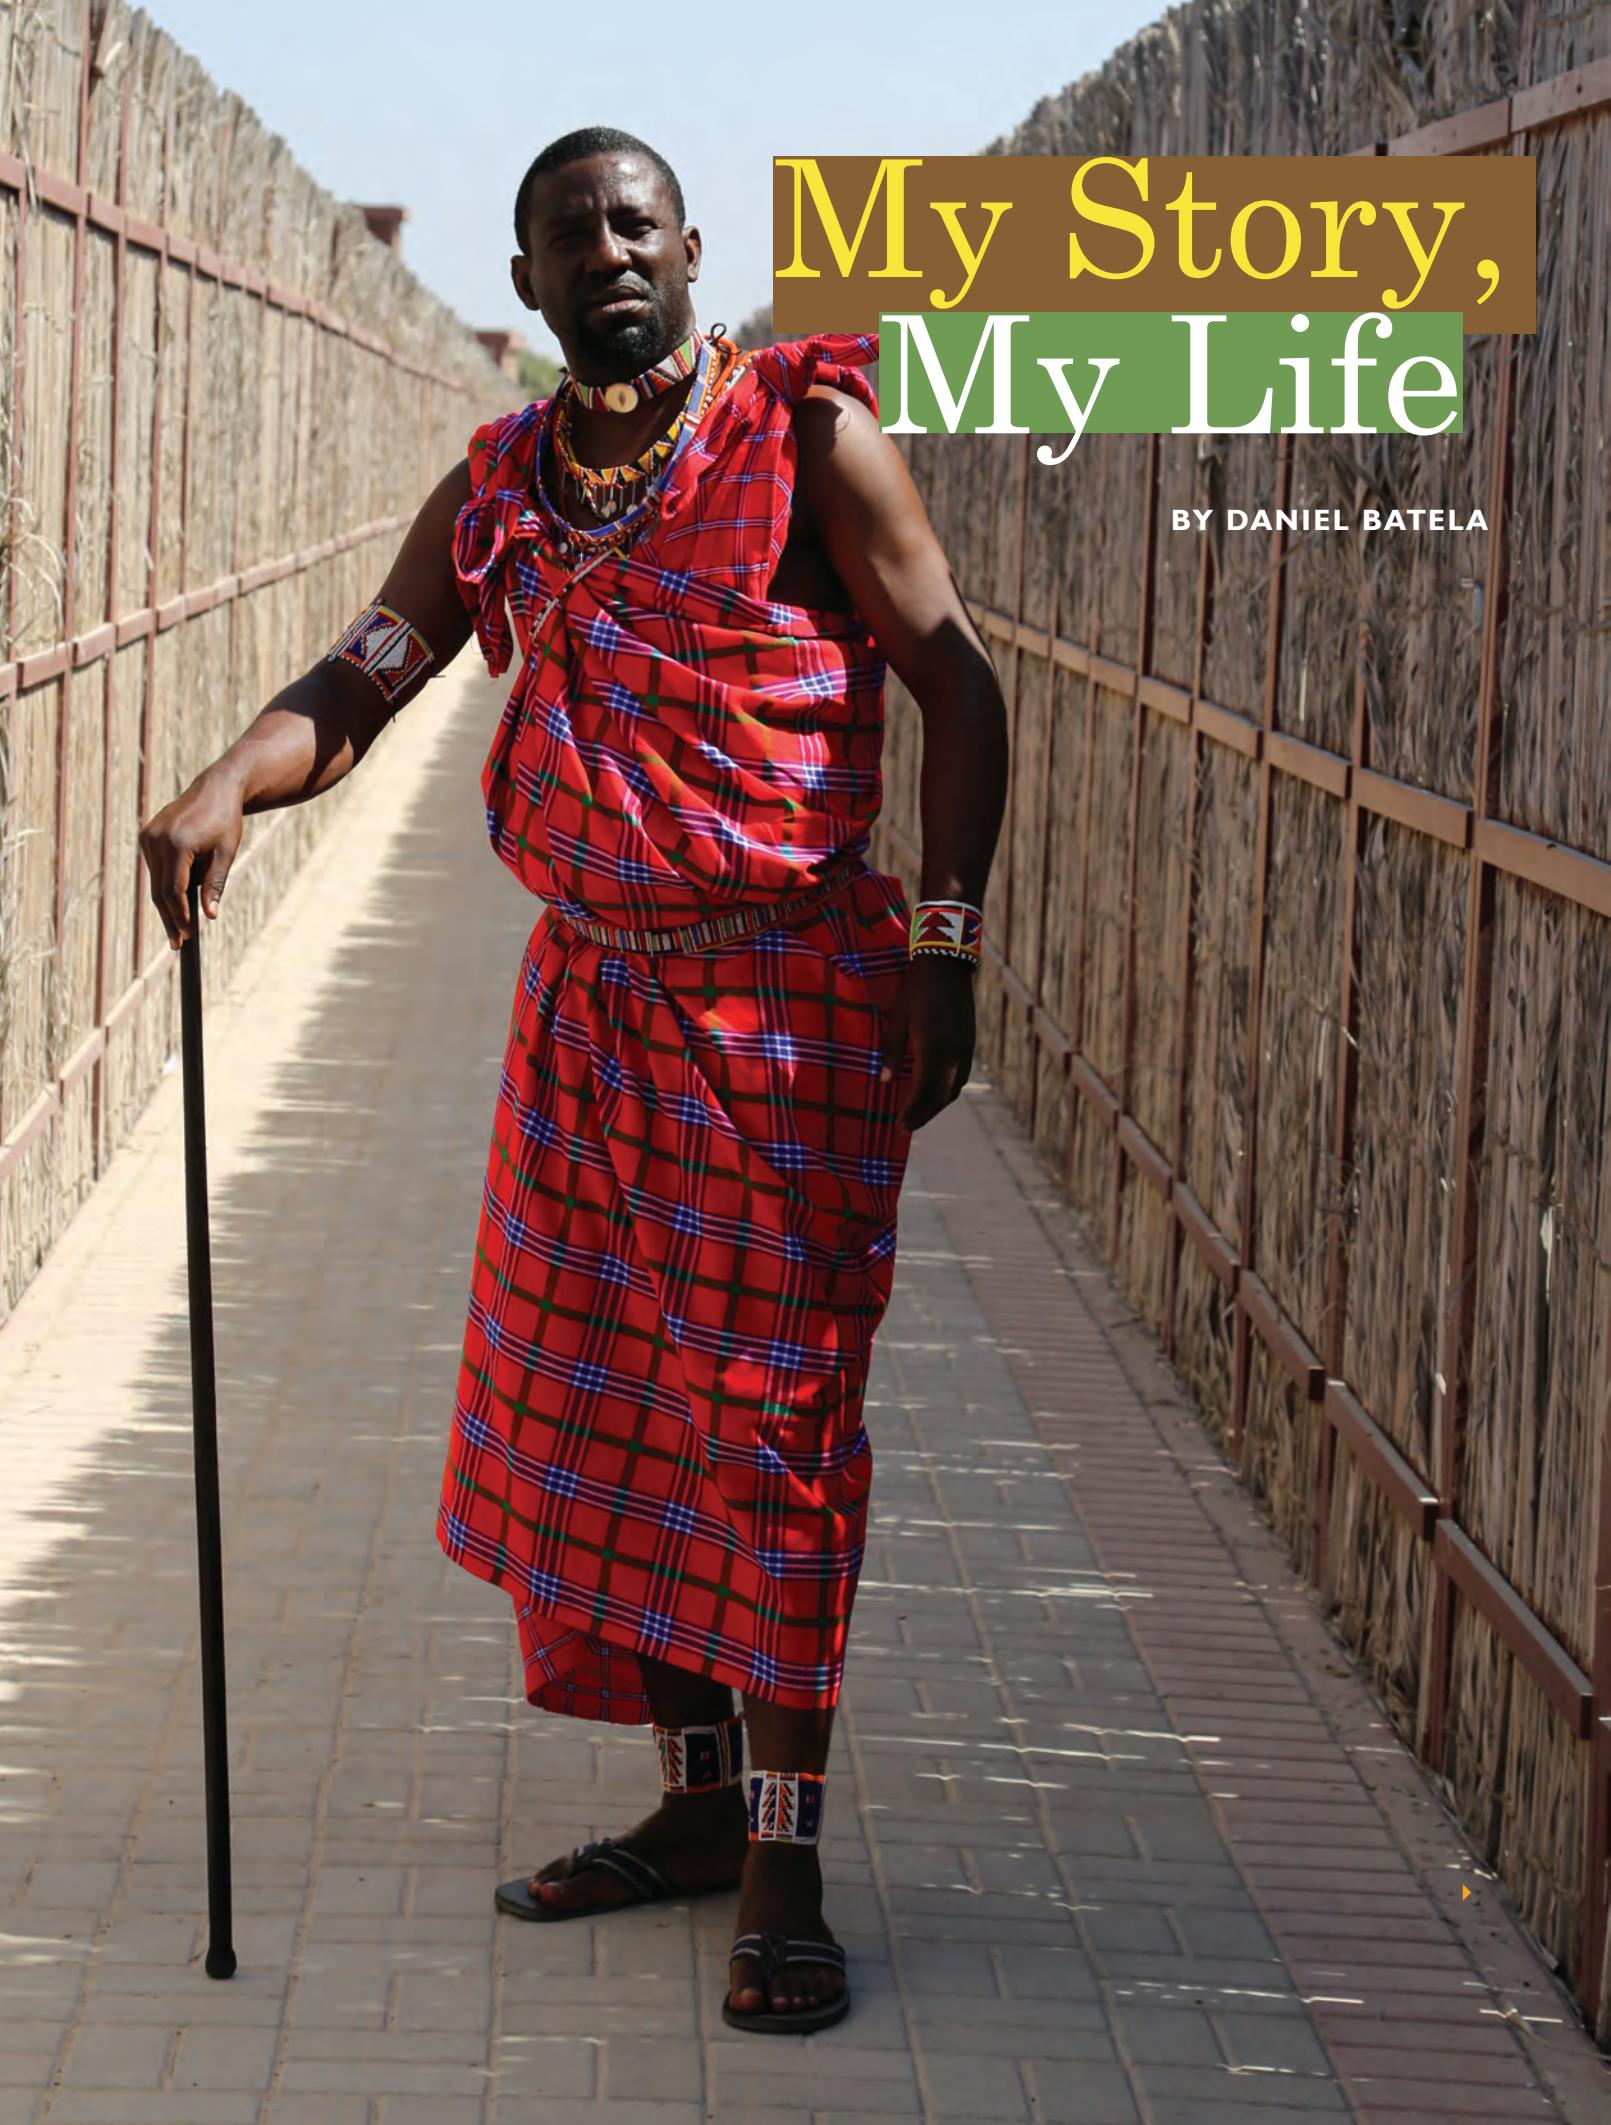

As Nepal Bible School was progressing Pastor Prathibha Rao, Pastor Jagir Masih and Pastor Danish Masih organized the Punjab Bible School in Bhogpur- North India. Daily from 9 am to 5 pm we had Bible School and from 7 pm to 10 pm crusades in various villages. I fell in love with people everywhere. They recognized

the love of God, and because of their genuine welcoming spirit, the Lord did great things for them through us. I am thankful to Him for this great opportunity and commission. The impact of the Punjab Bible School was that we grew from 65 churches to 100 churches with many more students wanting to minister in various parts of North India under the covering of The Apostolic Ministries International.

Staying with Pastor Jagir Masih, Pastor Danish, Pastor Anison, Pastor Jailal, Pastor Alex, Pastor Rao and Pastor Abraham; we truly witnessed the love of a family sold out for missions. Nations are waiting to be discipled and it awakened my Spirit to be on the move for seeing the will of God revealed as it is in Heaven, here on earth.

I wish to thank all of you who are reading this article for your love, prayers and support with resources and finances. Let the Lord reward you in abundance. Without your support, prayers and the grace of God, this journey wouldn't have had such marvellous life changing experiences.

# My Story, My Life

BY DANIEL BATELA

## MY EARLY YEARS

Born on December 12, 1971 to a French woman, in Cameroon, I have never met my father. My mother conceived me at a young and tender age of 19, and being the first born of her 5 children, she was left to face the world by herself.

The lack of a 'Father' figure in our family, made it difficult for my mother to support us financially and emotionally. Seeking comfort, and the lack of a role model led me to join hands with people much older to me in age and who were lost fully into the world. My company of friends were mainly people of the streets, with whom I engaged in robbery, theft, money laundering business.

For almost 17 years of my life, I wasted away, chasing money and living the illusion called 'powerful and luxurious' life. But in the inside, I was lost.

Amidst all this I got introduced to spirit worship, and started taking guidance for doing daily life from an evil spirit. In short, I was a total wreck, a man with broken emotions, leading a lifestyle soaked in the filth of the world and influenced by an evil spirit.

Despite my wayward lifestyle, my mother believed and earnestly prayed that God would encounter me.

## A GODLY INTERVENTION

In 2003, I happened to go for a church meeting, where I came across a Black – American preacher, Bishop Walter Smith who prophetically brought forth a word of knowledge revealing my entire life. This man, assured that though everything in my life was a mess, that God in His mercy, had a beautiful purpose over my life. After the service, as Bishop Walter Smith was a visitor to that church, he handed me over to a man of God, Venon Fernandes, who ministered to me, and anchored me in the Word. He was the person that God used to introduce me to the Africa On Fire For Jesus hosted by TAMI in 2003.

I attended the classes for two months. The International School of Discipleship changed me drastically as the sweet Holy Spirit took over my life. I experienced total deliverance and my life was whole again. He not only brought beauty from ashes but equipped me with His Gifts to build the Body of Christ, which I did not comprehend at that moment.

My legal problems were not over. I had to frequently visit the court as I had a legal case against me for \$ 300,000. Right after the bible was the awaiting of the prison doors.

**"The International School of Discipleship changed me drastically..."**

## MY TIME IN PRISON

Spend a total of 7 years in Butimba Prison, Tanzania. Here I ministered to over 600 people during my term. This prison, during my time had about 1400 inmates. I used to hold regular meetings in the prison and have led hundreds of people to the saving knowledge of Jesus Christ.

Attacks of the enemy in every direction was something that led me remembering my past and paved way to guilt that burdened me. God never left me and spoke - Job 22:30, which reads: "He delivers even the one who is not innocent, who will be delivered through the cleanliness of your hands." Having encountered the Holy Spirit in a mighty way, my life has never been the same. I have witnessed marvellous deliverances, healing and watched people set free of afflictions that has tormented them for years.

During my time in the prison, I used to hold meetings every day, and see hundreds of people set free. The prison capacity was originally 600, but it housed over 1400 inmates, almost 4 times the capacity. The meetings brought immense peace into the prison, as now people started, repenting, and encountering God on a level like never before. This was appreciated and encouraged by the commissioner.

#### **CELL MEETINGS**

We have a total of 3 Cells taking place in Yaoundé City, which caters to approximately 150 people.

#### **SUNDAY SCHOOL**

Our Sunday School takes place 40 children attends the Sunday school at our church. The age group ranges with the youngest member of 2 years to the oldest member of 12 years.

#### **NIGHT VIGIL**

Weekly once, every Friday night, from 10PM to 6AM, we hold a continuous prayer session, contending for the nation and the spreading of the Gospel to the ends of the earth.

#### **PRISON MEETING**

The prison meetings reaches out to about 150 inmates of the Yaoundé Central Prison. With special permission and support from the Police Commissioner, we have appointed Pastor Abiga to run our Prison Ministry.

#### **NATIONAL PRAYER**

Upon the vision given by God, and a woman who willingly contributed 3000 USD, I organized a national prayer for the National Elections for the year 2011. The prayer meeting was organized in the Yaoundé Football Stadium, on September 30, 2011, from 10PM to 6AM. There was great opposition we faced and these were our very own Christian brothers who opposed the godly idea. But we stood to our resolve, and gathered together and prayed for the election and the peace of the nation. This meeting was attended by a representative from the President's Office. Despite the rain, and all other opposition, God's people prayed whole night to see peace in the nation. The meeting was attended by members of various churches namely Pentecostals, protestants, Roman Catholics.

Subsequently the elections took place and Mr. Paul Biya was elected as the President. The prayer movement was rewarded an amount of 8000 USD and a letter as token of appreciation from the President.

#### **WOMEN's CONFERENCE**

Hosted a Women's Conference on Woman's Day (March 8), with about 400 women gathering.

## SCHOOL IN CAMEROON

We almost had to stop press to include this very delightful mission report from Pastor Daniel Batela in Cameroon. We are so happy and proud to inform everyone that under the aegis of TAMI and the able leadership and commitment of Pastor Daniel and his church, a new school has recently been constructed in Lelene, Ngyola, in east Cameroon!! Lelene is about 700km from the capital city, Yaounde. Construction of the first two classrooms for the Nursery and Primary school is almost done even as this magazine heads out for printing. This is a school for a pygmy village and despite challenges that Pastor Daniel and his family have had to undergo in the past year, he simply calls it a “season of increasing responsibilities” and says that “It is WELL!”

Aid and assistance came in from unexpected but divinely inspired contacts. A wood company (GRACOVIR), which is based around the community, supported the school construction project with planks worth over 10000 USD. Another one supported the

school with services of a caterpillar which graded and levelled the site for the construction. We applaud and thank these two companies and bless them for their generosity. May the Lord give them unprecedented increase for their goodness?

There still remains a lot to be accomplished– the school needs housing facilities for the teachers. There are financial challenges in order to complete the constructions and officially register the school for it to become operational. The present capacity of the school is for 300 children but since there are only two classrooms, the attendance will be restricted to 120 children (60 in each class). More classes are expected to be added every year. School term has already started in the region and this school is keen to start immediately. In an act of faith, Pastor Daniel and his team have had the school uniforms stitched, and have bought course books and writing materials for the kids. The school is about to get started with two teachers and the minimal facilities they have at present.

Pastor Alias has received this news with great joy and on behalf of TAMI, he has assured Pastor Daniel of adequate financial support along with books and syllabus for the school. The proposed name for this school is Caritas Global School and we look forward to many more of such projects to start in these villages to provide a wholesome growth for children.

# Mozambique Bible School

Yet, another splendid journey with the Holy Spirit to Beira, Mozambique.

BY RODNEY LOBOW

When nations are opened up for the sake of the Gospel, it brings a great excitement to all who participate to see the power of the Holy Spirit move in mighty ways. When our hearts are willing to see God's wonders displayed in different parts of the world, He moves in a way that our minds cannot fathom.

A random business trip of Brother Biju Paul of Sharjah Apostolic Church was the beginning point for a great work to start in Beira. This trip blessed him with a divine connection with Pastor Mafumo of the Evangelistic Assemblies of God Church in Beira. According to the Lord's will, this led to the bible school in Beira, Mozambique, that commenced on the 21st of July and continued till the 30th July 2015.

On the 21st morning 200 students consisting of Bishops, Pastors and the church leaders gathered together from 35 different churches in Beira. This displayed a hunger for God in one accord as in Acts 2: 1, "And when the day of Pentecost was fully come, they were all with one accord in one place."

The teaching began on the subject titled, "The Power of the Word of God" by Pastor Prathiba Rao. He also spoke on the requirement of being a committed student in the Bible School by "Receiving, Retaining and Reproducing the Word of God". This was backed up the Holy Spirit that the fire just lit up instantly. It also burned out all the doubts the students had about us- the Indians; and purified their hearts of the fear they had of our intentions to conduct the Bible School in Beira. When they

witnessed how the demons started manifesting as the Word was taught, they had an extreme eagerness to be filled with the Anointing of the Holy Spirit. The impact of the Kingdom increased intensely as the teaching continued on “The Local Church” and the “Five Fold Ministry”.

Pastor Anison Samuel took over and taught on the “Anointing of the Holy Spirit”. This not only kept the fire burning but the students on their feet as the teaching began to practically flow like a river. They were lifted from the physical realm into the spiritual realm and had an experience of being immersed into the river of God.

Spectacularly they started to receive the baptism of the Holy Spirit and began speaking in tongues for the very first time. The anointing from the classroom spread to the open air grounds of the government school where Pastor Anison preached to a larger gathering for two nights. Without any official advertisements the place was packed as the students who attended the Bible School invited their relatives and friends by word of mouth. God was faithful to honor the efforts. The whole gathering was “terepente” (Portuguese) meaning suddenly filled with the presence and power of the Holy Spirit. Many personally experienced the healing touch of God. People who were possessed and had demons manifesting, were instantly set free. For this, God alone deserves all the Glory!

Soon Pastor John Benjamin from USA, taught on “Praise and Worship as a Life Style” for a believer. Through this they learned how to be intimate with the Holy Spirit. They were led into long hours of praise and worship in the Spirit which they carried back into their homes and churches.

After Pastor John, I had the opportunity to teach on “Supernatural Faith”. I encouraged the students by giving them practical examples on leading their personal life and ministry by an unwavering faith in Jesus. I also taught on “Changing for Life” through healing and deliverance. This opened their understanding of how the demonic world functions on pursuing to mess up a believer’s life, even without his/her knowledge. At the end of the teaching the students were led to praying and confessing any hidden sin in their lives that has been an open door to the enemy. Many recognized on how they have been targeted by the enemy and came over for counselling and deliverance. By the lavished grace of God, all the students who came forward received their freedom in Jesus; and returned with joy!

Pastor Finny Stephen ended with the teaching on the “Life in the Holy Spirit.” This included the “Gifts of the Holy Spirit” and the “Impartation of the Gifts of the Holy Spirit.” He challenged the students who had a desire to operate in the gifts of the Holy Spirit to come forward. He taught on each gift and prayed for its impartation on everyone present.

During the closing ceremony on the 30th, the governor of the region was invited as the chief guest who thanked the Leaders of The Apostolic Ministries International for coming to Beira, Mozambique. It was an honor for us to have him invite us again to conduct the Bible School.

Every student was awarded with a certificate for regularly attending the bible school. This added to their joy and encouraged them to be rooted in the Word of God.

From the bottom of my heart I extend a big thank you, “Obrigado” in Portuguese to all of you who had sown generously in terms of resources and prayers. God is more than faithful to bless you back in double fold for this abundant heart of yours. Your giving has blessed us to provide food for the students all the days of the bible school. God blessed each and every one who were a part this great move in Beira.

Let His work continue from generation to generations.

# Ithanga Bible School

BY PRATHIBHA RAO

Hebrews 6:10 “For God is not unjust to forget your work and labor of Love which you have shown toward his name, in that you have ministered to the saints, and do minister”, is a word of assurance from the throne of grace to all our missionaries, who took effort in Ithanga, Kenya.

Ithanga Village was blessed this summer with the School of Discipleship from 27th August to 3rd August. 80 students from all 28 TAMI churches in Kenya, participated, three of whom also took water baptism. Pastor John Waweru (who is also the National Coordinator for TAMI in Kenya) oversees 28 Churches in Kenya with his gracious wife Mama Lucy.

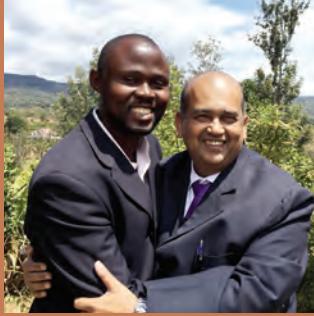

He was called into the' Ministerial office" of Bishop and ordained as Bishop of Kenya TAMI on 28th July 2015. We thank God for His grace, as this was the first time in the History of TAMI that we had 'Bishops ordination', which was done with prayer of anointing oil and laying

Pastors from 20 other denominations like Roman Catholic Church, Salvation Army, Pentecostal churches of Ithanga, including 28 pastors of TAMI and their families and many believers, experienced the Power and Presence of God.

TAMI Vice President Alias Jacob, Pastor John Benjamin from USA and Missions Director Pastor Prathibha Rao blessed the school of discipleship in Kenya this time with sound doctrinal teaching. Other teachers who came to impart knowledge included National leaders of TAMI, Africa coordinator

# PAKISTAN BIBLE SCHOOL

BY DARSHAN MASHI

There is always an immense joy and delight in the heart of every believer when the Lord does marvellous works in Pakistan; and blesses the people with spiritual blessings that enables them to live life in its fullest. TAMI churches have always been mission-oriented and reaches out to this very nation with an awe. Knowing this is at the center of God's heart stirs our hearts to proclaim the name of Jesus Christ to as many people in the nation of Pakistan.

The TAMI Bible School, was once again conducted on the 6th August 2015, by Pastor Darshan Masih and Pastor John Waweru; with ample support from the christian brothers and sisters in Pakistan.

Four Pastors who were above the age of 85 and two eunuchs also attended the bible college, which was indeed a great honor. God moved in powerful way and we were a witness to how he transformed many lives through the power of the Holy Spirit. All trainees were provided with food all the days and we witnessed how there was no lack when the Kingdom became sole focus of all who attended.

## GIFTING THE WORD OF GOD

All trainees, especially the ones that did not have bibles, were given brand new ones. This time, we were also able to provide auditory bibles for those that requested for the same, which was being a great blessing to many.

### Jesus Heals...

**Gulab Tayab**, an elderly man of 80 years old, retired government teacher was divinely orchestrated to be in the Bible College. He has been a heart patient for several years. Due to his condition being critical, doctors had advised him to take complete bed rest. However, his desire to attend the bible college was known to Pastor Darshan who counselled him and kept him in prayers. On the first day of the Bible College, he came early only to discover that there were almost 25 steps to climb as to reach the hall. This wasn't favourable for a man who suffers

from severe heart issues. Pastor Darshan accompanied and assured him that Jesus will help to climb those staircases irrespective of his condition. By faith, he climbed the stairs and to the Glory of God, faced absolutely no issue or breathing problems. The next fifteen days, he has been a regular attender at the bible college and experienced the mighty healing of Jesus. Now, he has stopped all medications and is totally well from everything he had been suffering.

### Born of Water and Spirit

The greatest joy was to see 23 people accept Christ as their Lord and savior by taking water baptism, an act of obedience to the Word of God - John 3: 5 - Jesus answered, "Truly, truly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God.

### Bible School Certificate

Pastor John Waweru and Pastor Darshan honored all the 210 trainees who attended the bible study with certificates.

### Healing Crusade

Healing Crusade was organized in Gatti and Francicabad Gujarnwala. There was a mighty move of the Holy Spirit and many were delivered from diseases and demonic spirits.

### CARITAS SCHOOL

Caritas Global International School, commenced on April-2015 and is running under the supervision of Pastor Alias Jacob. Starting with very few in numbers, the Lord has brought an increase of 128 students from grade one to grade five. This school will be legally registered under the government of Pakistan in the month of October 2015 and we believe the Lord who brought us thus far, will develop this institution to greater heights for His glory. By God's grace we were able to build two more classrooms for the students who were increased in numbers and we request every member to pray for all the legal requirements to be met accordingly.

### ACTIVITIES OF SCHOOL

Celebrating Independence Day 14th August  
In class room  
Junior Church Activities on each Friday.  
Indeed, being so focused on the Kingdom development here on earth, brings great joy to our hearts. With utmost gratitude, we thank God for connecting us with Pastors who are committed to stand with our ministry and risk everything for the Kingdom sake, only to lift His name on high. Let His name alone deserve all the praise.

# Transformed Lives

I am Shafqat Sohail from Faisalabad. After my husband's death in 2007, I had a huge responsibility of bringing up four children all by myself. Due to the stress and depression I faced, I ended up being diabetic soon. My blood pressure level shot up that I fell sick almost every other day. Peace was nowhere to be found and I pulled on somehow.

My eldest daughter got married, which was a moment of joy for me. But soon, due to the rift caused between her and the in-laws, she withdrew from their house and stayed with me. This caused me more pain.

On the 3rd August, Pastor Darshan had visited my home and encouraged our family to attend the bible college. Though I was reluctant, I decided to obey him despite of all my negative feelings.

The word delivered lifted my faith and I believed in the healing power of the Lord Jesus through His Blood. God gave me the grace to attend all the 15 days and now I am totally healed of my blood pressure and diabetic condition. These studies also gave me peace that I haven't experienced for so long. To add to my joy on the seventh day of the bible class, miraculously, my daughter's husband and mother-in-law had come to take her back to their place. She is absolutely happy and I am thankful to God for this restoration.

Soon enough I ended up getting a job as a teacher in a Primary school with good salary, which was the lavish provision of God to raise my family without struggle.

For all this I want to thank God for healing me and restoring my daughter's marriage. He is done beautiful things.

I also thank God for sending Pastor Darshan and Pastor John, for their faith and prayers got me out of my depression and struggle. All glory to Jesus Christ.

I am Amber Javed, and I am a regular student of the TAMI BIBLE COLLEGE in Pakistan. This is my third bible study so far.

One of the days, Pastor Darshan had shared a word about: "There is no reason to leave God". This message penetrated my heart along with one of the famous verses: Jeremiah 29:11 – "I have plans to prosper you and not to bring you harm".

God gave me heart to share this same message with a family that was so against Him due to losing their children to death. They criticized God and proclaimed that He doesn't exist. They were so bitter within. But somehow after I spoke to them about this message, the Holy Spirit led them to repentance and they accepted the Lord as their personal Saviour, and put their complete trust in Him. I thank God for this opportunity and for His favor and grace upon our lives. Glory be to Him alone!

# NEPAL BIBLE SCHOOL

12 teachers from UAE, Canada, USA, India and Nepal joined hands on this mission to Nepal. The Bible School commenced on 17th August and finished on 4th of September 2015. This was the first TAMI Bible School in this nation. Due to political unrest the nation had declared "Bandh" (strike) with curfew during the day making it difficult for people to attend the school. Such was the hunger of the people who attended, that they somehow managed to make it to the school after the curfew hours late at night.

Following were the areas that the teaching was focused on:

1. Deliverance & Inner healing
2. Holy Spirit and Gifts
3. Prayer and Worship
4. Discipleship and Evangelism
5. Human trafficking – Church's role
6. Hearing God's voice and Quiet time
7. Church Planting

### Outcome

1. 95% (135 students) received baptism of the Holy Spirit and spoke in tongues for the first time.
2. 6 Students were baptized in the water.
3. 4 Pastors have initiated the process to join TAMI network.
4. 63 students committed to work with Children of Nepal.
5. 105 students committed to start home church.
6. 36 recorded healings in school by the students who received the gift of healing.
7. Deliverance and healing took place at home when students called their homes.
8. Pastor Benjamin Buda Magar of Immanuel

Church, Banke experienced revival on September 5th. Many villagers came to see what was going on because people were falling under the anointing when Pastor Alias started to pray - deliverance from demons took place as people went down under the anointing.

9. Father's and men repented for all the abuse done towards women and father's hugged women who were abused. God broke through with healing as many men broke down with weeping and received burden from the Lord concerning modern day slavery (human trafficking).
10. Almost 80% of the students had encounter, visitation, out of body experience, callings and received gifts.

# Never the same again

As we were worshipping during the bible school I felt Electric shocks on my body and I was shaking. I felt like crying, and my hands and parts of my body started shaking. When a voice came and said, " I have called you here"

I was questioning the voice "why was I called here?" The voice replied saying " Just compare your past life and your present"

When I heard the voice of God I realized my past life was so bad and now I have entered into freedom. God revealed to me that I should go to people who had a past like me and minister into their lives. All Glory to Jesus.

## Ishak Ghale - Nepal

---

As I was praying and my hands were up worshipping, I felt an electric current flow through my body. During this time, I touched my neck and I was instantly healed from the neck pain I had. I felt power in my hands and tongues of fire came upon me, as I fell down praying the spirit lifted me up and I was going with the light, I saw an incense bowl which was given to me and when I came back I saw a vision of an old man dead and a voice said "go pray for him". I did and he rose from the dead. Glory be to Jesus!

## Shava – Nepal

---

When my hands were stretched out, asking God to give me all nine gifts of the Holy Spirit, I fell down. Soon after that words of wisdom and faith were given to me and my hands were shaking as I was praying which filled my heart and a smile came to my face as I prayed.

Thank you so much Jesus!

## Grace Tamang-Bhutan

Couple of months ago, a sermon I heard from a man of God jostled me. He said, "All Believers living in God's will are all to be involved in missionary work." Oops...all this while, I had it etched deep in my mind, that God had appointed missionaries to do this job. I thought I could be a silent spectator, or at the most lend a helping hand to them. Little did I realize that this Great Commission applies to all of us today. I was born and brought up in Nepal and have spent more than half my life there. So Nepal is second home to me. So when our Rev. Pastor Alias told me to join the mission trip to Nepal I couldn't decline. But at the back of my mind were zillion thoughts . . . what am I going to do there . . . I do not know how to preach . . . have no experience of evangelizing other than distributing Christian literature and teaching Sunday School kids...who would take care of my son while I was away . . . the questions were many. I honestly had no clue what to expect.

Once there, I was so touched by the efforts of the local church leaders and the youth to preach the gospel to the unreached, that too, when there is persecution and threats from the other religious leaders. I pray that God will continue to move among the people there. I pray that He will pour out His Spirit, healing, comfort and salvation. Like Nepal, overwhelmingly large populations all over the world have never heard the name of Jesus and our personal witness will not only bring the gospel to them, but also testify to the life that Jesus alone can give. So let's stop being like Jonah who said: "Here am I, I'm not going". Like Isaiah, let us all gladly respond, "Here am I. Send me!" God will surely bless our experience!

# IMPACT NEPAL

BY MONICA ALEXANDER

I had the God given privilege and blessing of being a part of the Nepal bible school in Bharatpur. What real joy it is to be in the presence of the Lord and amongst Godly people who are so hungry for the Lord. The Bible says, 'Assuredly, I say to you, "Whoever does not receive the kingdom of God as a little child will by no means enter it." Luke 18:17

I found this to be so true and real in this bible school. The eagerness to know and grow more in Jesus was so evident in the students.

## Healing and Deliverance

The teachings explained how the spirit, soul and body work together in the healing of our mental physical and spiritual being, giving us significance, acceptance and security. The enemy on the other hand is desperate to make us feel otherwise, insignificant, rejected and insecure. We need a clear conscience for more faith and need to be cleansed by the blood of Jesus, word of God and the spirit of God. These come into practice as we learn to forgive, not have bitterness and increase in loving others unconditionally just as Jesus loves us and sacrificed his life for us, that even if you were the only one he would have still died for you – how beautiful is that! This is the great message of the cross!

The Apostles and the heroes of the Bible were fearless. They had no fear of death. As the bible says if you suffer with Christ you will be glorified with Christ!.

Jesus wants your life; He wants to live inside you and take control of everything that is affecting your soul!

## Entry points

<sup>16</sup>Do you not know that you are the temple of God and that the Spirit of God dwells in you?

<sup>17</sup>If anyone defiles the temple of God, God will destroy him. For the temple of God is Holy, which temple you are." 1 Corinthians 3:16-17

You are always under observation by the spirit world, the world we cannot see.

We have to be very careful in what we see, do and believe in, because the devil has entry points through which he can control your whole life. One moment of weakness can cost our whole life. Jesus does not want that for us at all, we have to be vigilant and consumed with the word of God to be protected from the world of the evil sprits. One of the major entry points that was spoken about was sexual sin and the spirit of lust. The enemy easily can enter through these sexual sins especially outside of marriage.

The major ones are visual mediums such as movies, pictures, pornography, etc., fornication, adultery and homosexuality.

### Personal Prayer

Jesus said that when you pray, go into your room, and when you have shut your door, pray to your Father who is in the secret place; and your Father who sees in secret will reward you openly.

This teaching majorly changed my prayer life already, and this will be my vision for my prayer life always. Jesus wants us to get closer to him day by day and do greater works than He did. "Most assuredly I say to you, he who believes in me, the works that I do he will do also; and greater works than these he will do, because, I go to my Father. 13And whatever you ask in my name, that I will do, that the Father may be glorified in the Son. 14If you ask anything in my name I will do it." John 14:12-14

Ten principles of Personal Prayer and how much there is to thank God for, was covered and preached about so beautifully. My personal favorite and something that I will always remember was how you can you check your heart against the ten commandments and sanctify yourself with it. I pray that people understand the importance of personal prayer and get deep into the presence of God like never before.

### House churches and cell groups

How joyful it feels when you start something small and it grows into something big with the help of Jesus.

House churches are also like that even if it is a small house or under a tree, just start worshipping God with one, two or three others and see God's wonder working power in your lives. There is so much to share about the good news – his unconditional love, victory over everything in life, our sins wiped away, freedom from condemnation, the God kind of hope that the good news promises to give, authority over everything in this world and the greatest of all, the gift of the Holy Spirit as our helper.

Even as we meditate on these things when we gather together, God will work, there is no doubt about it. He will enter the homes and just change everything forever more. Be encouraged to have prayer groups and home churches and you will see how God can work.

When an alter call was given, every single student came forward and committed to begin a house church. The move of the Holy Spirit was so strong and real.

## How church should be

We heard about how the leaders and the members of the church should be drenched in prayer, because the lesser the prayer the more problems come in. But when there is more of prayer there is more of the presence of God leading to more joy and peace.

When we enter into the presence of the Lord as a church, we enter into complete protection and peace. And we enter into this love filled life where we want to show love to everyone and our faces will shine in his presence.

“5The Mountains melt like wax at the presence of the Lord, at the presence of the Lord of the whole Earth.6The heavens declare His righteousness and all the peoples see His glory.” Psalm 97:5-6

As these topics were touched on and prayed about everyday, the students had experiences like never before, the move of the Holy Spirit and the presence of God never felt so real for each one of us. The students were not in need of material gifts but were in need of spiritual gifts. How beautiful was it to see them receive the Word whole-heartedly.

Every single testimony we heard was heart touching, and it gave so much happiness to see that they had an encounter with Jesus, and many manifested and got delivered from evil spirits. Many of them also saw the light of Jesus and we could see that so clearly on their beautiful Godly faces. On the last day of our visit the students received so much love from us. They poured their hearts out as we hugged them and gave them the greatest gift that we could which is to just LOVE like Jesus loves us no matter who we are. That's the only thing we can pass on if not anything else.

## punjab BIBLE SCHOOL

The vibrant and fun filled Indian state of Punjab started its first Bible school in Bhogpur on 23rd August 2015 with 200 students. Most of these were young men and women who came from Uttar Pradesh, Bihar and other districts of Punjab, driven by a hunger to serve God in the mission fields. The school was inaugurated by TAMI President Pastor Anison, who stayed in Punjab for the initial four days. It was taken onwards by Pastor Pratibha Rao who stayed on throughout the duration of the Bible School. Pastor Jagir Masih and Pastor Danish have been the vanguards of the churches in Punjab.

Each one of these students testified of the life changing experience that they had at the school. It was a 9 am to 5 pm study followed by crusades every evening in different districts of Punjab. Pastors Anison, Rao and Alias brought in sound doctrine and set many

students free from traditional and often erroneous teachings of the past. Many of the students came from different social, religious and cultural backgrounds and these teachings have provided a strong foundation for the church of God to now be established.

Healing flowed freely, as did the Spirit of the Lord in these crusades and many people received deliverance from evil spirits. All kinds of demons fled the place in panic amidst screams and manifestations. People who came in sick and ailing, went back whole and restored, thanking and praising God. All kinds of pains and bondages were broken and a grateful

multitude was seen rejoicing. The highlight of these crusades was in Ranipind on the 24th and 25th of August, which was attended by 600 people. Pastor Danish informed us that testimonies of God's goodness and deliverance are still coming in.

Pastor Anison, along with Pastor Pratibha Rao and Pastor Alias witnessed many miracles as they brought the nourishing Word of God to a hungry populace. Many leading pastors in Punjab and about 200 pastors in UP, now have shown interest to join hands with TAMI. Pastor Anison ordained 33 pastors on the 1st of September. Pastor Alias closed the last day of the Bible School on 3rd September. In the words of Pastor Jagir Masih "A new wave of the Holy Spirit has now descended upon Punjab" (Pak Rooh ki ek nayee leher Punjab mein uttar aayee hai). Pastor Danish firmly believes that "in the coming days God is going to change all of north India" and he prays that "God will complete his vision and plan for us".

# Signs and wonders will follow...

**Surinder Pal**, lived in village Hiala, District Nava Sheher, Punjab. He was known as Baba Jatawala (long haired tantric). "People believed me to be a wonder, a "magic person" because I performed witchcraft. Through that I used to earn money.....but I was not happy. People respected me as a good man.

Once I was very depressed and on my way to the market. I met a person who gave me a book from his bag and asked "can you read ?".

When Surinder answered that he could read, the man gave him the book and asked him to read with understanding. Surinder went home and read the book, which he was to find out later was the Bible. Two sentences captivated his mind "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord." (Rom.6:23). And do not do the work of Sin (Gal.5:19).

"While I was reading all these it was working in my heart - again and again I read that book. This book was inspiring me a lot. Then I got a phone call from Pr. Jagir Masih. Slowly my faith began increasing and I started hating my past life. By hearing the word of God from the servant of God, I received Jesus as my personal savior. I now stand on the word of God. Then I joined 12 day Bible Camp, I was blessed a lot and learned many things. So please pray for me and I'll do the work of Jesus."

**Dr. Raj Sabrwal** resides in village Tadiala in Hoshiarpur. For the past 3 Years Pr. Jagir Masih had been visiting this village and he invited Dr. Raj to visit his church many times. Being a member of the CNI, Dr. Raj had politely declined each time and had not shown any interest. In the

village there were 10 CNI and 4 Pentecostal families that were planning to leave the place. Pr. Jagir Masih invited Dr. Raj for the 12 Day Bible Camp, "When I joined this camp, my life changed", he says " I took Holy Spirit baptism. On 6 September of this year, we started Prayer Fellowship in our village - 40 CNI and 20 Pentecostal members (total 60 members) started gathering and praying. Please Pray for me and for my ministry."

Well it looks like the only ones who left the village are Satan and his contraband goods !!

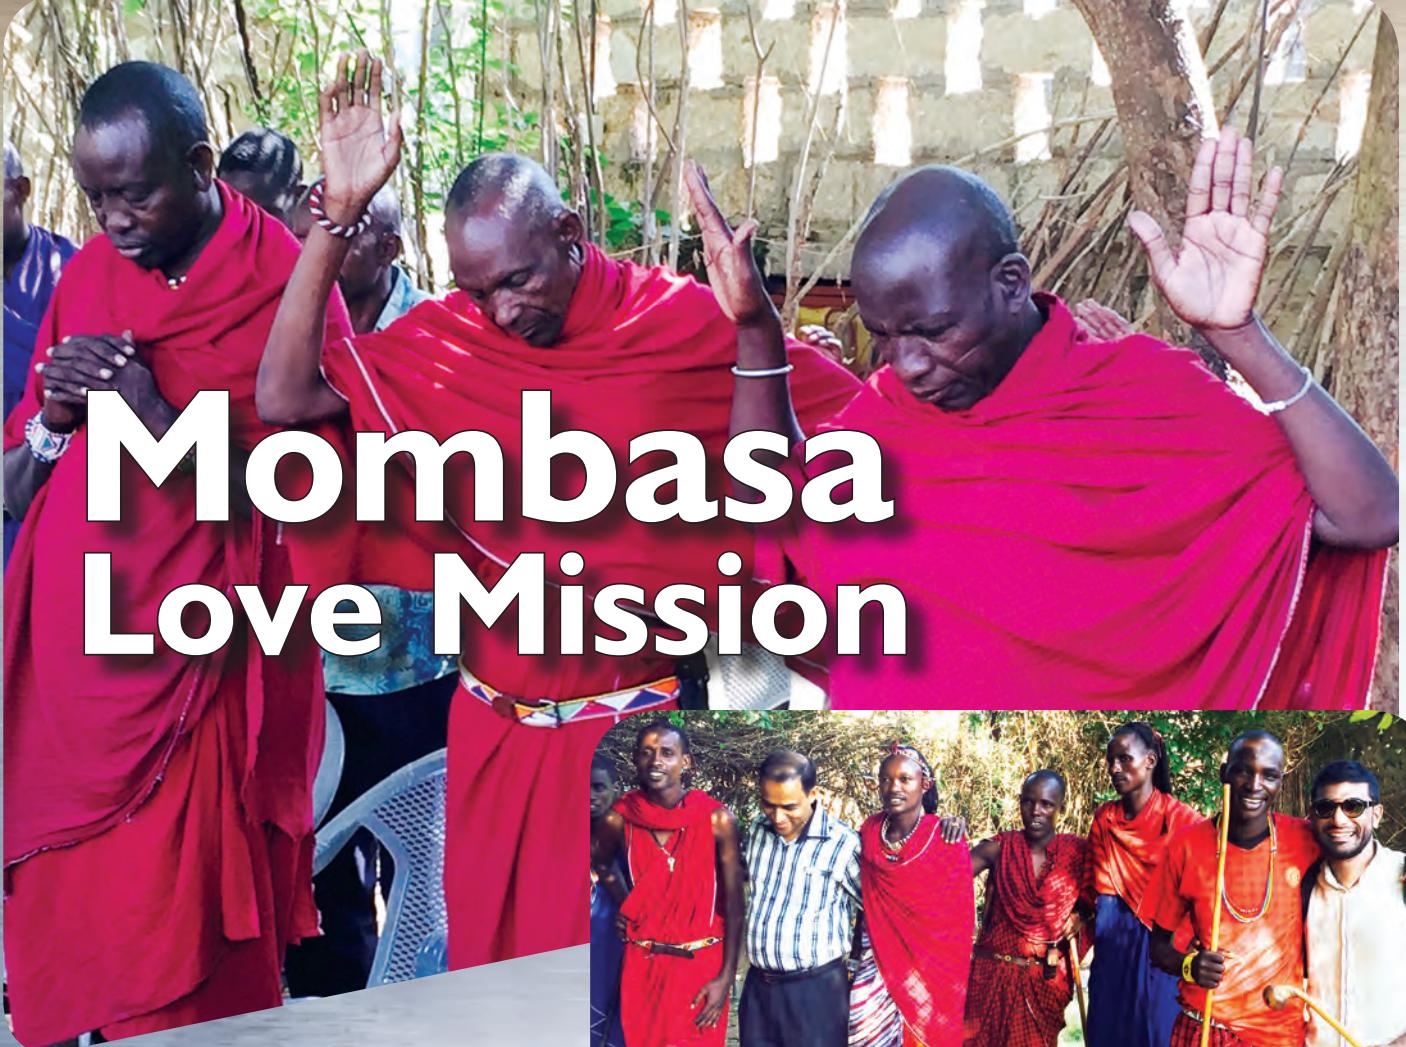

**Butta Singh**, (now Butta Masih) is a Sikh Jat who lived in village Bhurj Hakis, District Ludhiana. He was opposed to Christians and would have altercations with a Christian brother in his area. The brother would however preach the love of Christ to him and continue to invite him to the church. Butta's

daughter became ill, and he spent a great deal of money to get her healed. During this period, despite the Christian brother's loving invitation, Butta refused to go to the church, since he was totally averse to the idea. In the days that followed, his daughter passed away and he was left with a gaping thought and conviction that she could have been alive had he gone to the church. He remembered the word of the christian brother and for the first time he entered Pr.Jagir Masih's church where he received a warm and loving welcome. As Pastor shared the word of God, "I started to cry", says Butta but "I felt much peace in my heart, then I received Jesus as my personal Saviour and I joined the 12 Days Bible Camp, I was blessed."

Butta Masih, once anti Christian, was one of the 33 pastors who was ordained by Pr. Anison. "Now I am working for God. Please Pray For Me", is the thought he leaves with us.

All three men were ordained by Pastor Anison as Pastors and today they stand testimony to the life changing power of the cross.

# Mombasa Love Mission

BY BEN BANDA

A trip to Mombasa, Kenya to the Masai Tribe was one outstandingly memorable for me. I was a part of the team of four that went from The Apostolic Church. I consider this to be great honor and privilege from God to be a part of His ordained assignment.

The Masai groups of people are constantly affected with drought and famine that leads to a lot of impoverishment. Psalm 113: 7-8, "He raises the poor out of the dust and lifts the needy from the ash heap, that he may seat with princes, with princes of His people", reminded me of a hope in God's love and redemption. God's love can lift up anyone and transform them into the sons of God. For the gift of salvation to reach them, we have a responsibility to obey and witness.

I remember Pastor Alias saying on one Friday service, "just one mission journey will change your life." Oh boy! I experienced that word come to pass with God's full force. Reaching the unreached for Christ certainly begins with an obedience to the great commission. "Go", with just that command we left the world of smart phones, microwaves, high risen buildings and super cars, not knowing what to expect. I knew that forty to fifty men would attend the meeting that was organized. But God did exceedingly and abundantly more than we could ever imagine or think.

For three consecutive days over eighty Masai men, women and children came out to sit under a tree, and receive the good news of Jesus. What blew me away was how receptive and hungry they were. It re-affirmed the last part of Matthew 28:20, "and I will be with you until the end of time." The presence of God was surely in those meetings. I feel that I had seen the best of all on a missionary journey could see, as over twenty Masai men and women gave their lives to Christ and got baptized. The joy to see one surrender all of themselves and is willing to take part in the death and resurrection of Jesus is inexplicable.

I also experienced how people with very little saw joy in the least of all. We played games like musical chairs with just a drumbeat at that. A kid's heart awakened within me; followed by a

time of pouring out ourselves in worship. It brought me to a point where I started getting convicted of my ungratefulness during many phases of my life.

I will proudly confess, I had my "Peter moment", on the mountain of transfiguration. The presence of God was so thick and overwhelming, and I wanted to just stay there. If I could be allowed to describe the whole mission in one word, it would be "Blessed" – which means empowered by God. God has certainly planted a seed in Mombasa; it will need watering, nurturing, and continuous prayers. Most importantly it will need more people to, "Go".

Don't ever settle to a frame of mind that it's not important for you to, "Go" on missions. It is never wise to say: "I am not called to be a part of God's global mission assignments." Let the words of William Booth

convince you further: “‘Not called!’ did you say? ‘Not heard the call,’ I think you should say. Put your ear down to the Bible, and hear him bid you go and pull sinners out of the fire of sin. Then look Christ in the face, whose mercy you have professed to obey and tell him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

John 20:21, “As my Father has sent Me, even so send I you.” Jesus commanded us to be his witnesses to the ends of the earth. My beloved brothers and sisters if we don’t take responsibility for this task; then who will? We have been given the words of eternal life. We have a message of hope for those in despair. We have the water of life for the thirsty and dying world. Yes, oh yes I know, not all of us can go, but you can undoubtedly do something - Give, pray, desire and obey.

This trip transformed me to a being more like Christ and created a passion that I cannot explain. I encourage all of you to desire to be a part of this great move; especially when our church leaders yearn to see missionaries rise up.

### Outcome

- 4 men witnessed Jesus as their personal saviour and received water baptism. Among them, 3 men were from the Masai tribe
- Reached out to over 80 Masai men, by planting the gospel seed into their hearts, which we believe will bear much fruits in the days to come
- Established a firm connection with the Masai tribe leaders and held discussions on the possibility of TAMI setting up a building in Diani, to provide a common place to gather and worship
- 23 Masai men and women gave their lives to Christ and got baptized

# Training the Counsellors at Exodus

Pastor Alias addressed three batches of 45 counsellors who are part of the Exodus Church's Ministry of Inner Healing and Deliverance. He spoke to them on the importance of having a clear conscience before God and man, the great need for counsellors to be at rest and peace before they can lead the wounded people to freedom and God's rest. God used him powerfully to challenge the counsellors to increase their time alone with God and have a rich personal prayer time – the ONLY place from where EVERYTHING begins! The effect of his classes were astounding. A GREAT hunger for personal prayer was released among the attendees, which is being practiced even to this very time.

## Changed Lives Speak:

"One of the main lessons I learned was to be like Jesus in every part of my being...during that time I was finding it difficult to accept and love people who irritated me and this class has opened my eyes to look through His eyes. The best way is to sit and learn from Him. So I have increased my prayer time to one more hour which I am enjoying now. I also learned that the more I focus on keeping my conscience pure, the more I can hear from God"....

**- Reshma Pramodh George**

"Since this class, I've been having this hunger to spend more time with God and I am learning to live in the Rhema Word. The importance of having a clear conscience was truly revelatory... It was like I received a key to check on my intentions! I am really thankful because this truth is enabling me to love the difficult people more and is making my prayers more effective".

**- Anju Maria Joy**

"God taught me through Ps. Alias' class is not to condemn, accuse or point a finger at another person who is also Yeshua's own creation. I understood that I need to be a walking, talking and doing Jesus; because of HIS Spirit inside me. As a counsellor I understood the need to develop a soul that in order to hear the Shepherd's voice clearly".

**- Annu Philip Sujith**

"Ps. Alias' class brought a clear understanding of what God has called both of us for. As counsellors, one thing that stirred our hearts is that we are meant to build lives and not to bring anyone to condemnation. We can hear God clearly when our conscience is clear. What really struck us is when he mentioned that we need to pray that the Holy Spirit would speak into the conscience of the person to whom we are ministering to. We praise God for speaking to us through pastor. He is indeed a daddy to all who is constantly aware of His presence".

**- Vijay & Elizabeth Kurien**

"Back in 2007, when I first started attending Exodus Church, I remember Ps. Alias preaching about the mother's womb being our first home on earth. It is still alive in my memory. I was so happy to hear from him again – "Revelations which amounts to real transformation".

**- Lijo Joseph**

# From Perumbavoor.....

Pastor Alias' visit to the town of Perumbavoor was one that was much looked forward to by the ladies group led by Dr. Jolly John. 'The Upper room Overcomers' is a group that started 10 years ago, consisting of ladies from many different born again churches in Perumbavoor. They gather twice every week to partake from the Word of God and to intercede for the nations. They were overjoyed and overwhelmed to have Pastor Alias in their midst after seven years.

The message that Pr. Alias brought, 'What is the Good News?', based on Ephesians 3, was a revelation and blessing to each and every one who heard it. Born out of his life and experiences, the Word that he shared left each one touched and moved. It was a revelation to many as they discovered the full depth of the Gospel and all its many aspects that make it applicable to every human being on earth. Lives were changed as he shared the Word, and many more lives are yet to be transformed as they live this Word and take it out to their mission fields.

## .....To Delhi

BY SALLY MASTERS

I have faced death many times. In March 2006 (9 ½ years ago) I was diagnosed with cancer by some of the best doctors in Delhi. They advised emergency surgery to remove two large tumors from my stomach without which my chances of survival were minimal. I held on to my God's promise that this disease was not for my death but for the Glory of God and that by His stripes I have been healed. With a deep cleansing spiritual counselling from my brother, Pr. Alias, who came immediately from Dubai to Delhi, and also for all the prayer support of

my family and countless people across the world, I literally "jumped over the wall" and got out of the Hospital, against medical advice, on the day of the surgery. Doctors advised me against it and said that I was a walking time-bomb. But I heard the voice of God and am still alive, active, without surgery, without chemotherapy, radiation or any medication. I did not even take a painkiller for a very long time.

All glory to my Saviour and Healer, Jesus Christ.

On many occasions, I have been afflicted with health problems, (usually after some emotional turmoil, bitterness or quarrel), but each time, my Jesus, in His mercy & love, sent His Angels Council whenever I needed them most and has pulled me out of the clutches of death, at the nick of time. He definitely has a purpose for keeping me alive. Let His purpose be fulfilled in my life.

Recently in August 2015, I was afflicted with severe swelling of my legs, redness and pain so immense that I could not walk. It had started in Kerala during a vacation at my sister's house. A renowned physician prescribed antibiotics and painkillers but even after eight days there was no relief. Somehow I returned to Delhi, with unbearable pain, accompanied by my sister, who always came like an angel whenever I needed her most, as I could not have travelled alone in my condition. When I consulted my doctor in Delhi, he found my condition to be an extreme internal infection that he had studied as a rare sample case as a medical student. He even said that if I had come even one week later, consequences would have been very severe, including amputation of leg.

My brother, Pr. Alias and my sister-in-law Annie, who were on their way back from Nepal Mission Trip to Punjab and stopped over at Delhi. He advised me to hold two prayer meetings in my house, on 22nd and 28th August. Though we expected only about 25 people at such a short notice, about 38-40 people came for the meeting on the 25th. The hours that preceded it were a huge challenge, for me, our driver and my housemaid all unwell at the same time ! Despite the devil trying his best to prevent the meeting, we went ahead and all of us were greatly blessed by the end. The tangible presence of Holy Spirit was so evident. By the time my brother returned from Punjab on the 28th, my house had witnessed four miracles - My swelling and redness had subsided- about 85% healed which totally amazed my doctor, my housemaid and driver were healed and I no longer required any "urgent" surgery. God proved once again His faithfulness. When we resist the devil and listen to the voice of Holy Spirit in faith, He will show great signs and wonders.

28th Aug. session was attended by about 30 people, though it was a working day. God mightily used my brother to bless many of us and cleansed us with His precious Blood, His written and spoken Word and healed us, spiritually and physically. Some of the things that he spoke about were - all blessings in Christ now available to us ; the importance of Christ-consciousness in us ; revelation knowledge of the Truth that we are Spirit beings (having a soul, living in a body) ; daily transforming our soul through personal prayer; crucifying self and leading an offence-free life; rejoicing in our suffering with Christ. He gave a practical demonstration of how we need to overcome devil's devices of making us quarrel with people closest to us, by letting go of our pride and ego, humbling ourselves, seeking forgiveness of those we have offended, loving and blessing them unconditionally, honoring them and not taking justice into our own hands. He emphasized on our character building, keeping a clear conscience, and rejoicing in our infirmities and weaknesses because Jesus is our strength when we are weak and humility is the key to Grace. He also said that the quality of our resurrected body depends on how much we have transformed ourselves, at the time of our death, to the Divine nature of God .

While the above is a brief summary of what God spoke to us through Pr. Alias at Delhi, each one of us need to meditate on all these areas and work it out for our own life with fear & trembling, before correcting others, even in love. All Glory to God

#### KERALA TAMI PASTORS CONFERENCE

# ZAMIE 21 Days of Prayer and Fasting 2015

BY ANISON SAMUEL

The Prayer and Fasting at ZAMIE this year was in many ways unprecedented and to the glory of God, the beginning of a move of God which the church was praying for years. This move was tremendously breaking forth outside the boundaries of the church building. We had many people from other churches in the city filling up the sanctuary for the meetings that were held in the mornings and evenings. The messages had two distinct themes which continued throughout the Prayer and Fasting. Drawing from the words of Jesus in Mark 4:24, "Be careful what you hear", there were powerful messages on the power of God's Word which is represented by the 'seed' and how the church needs to be vigilant against the planting of weeds by the enemy. These weeds can produce a paralyzing effect on the believer. There was also a powerful prophetic series called 'crossover' which constituted the preaching towards the latter part of the Prayer and Fasting.

The prophetic promise passage for this fasting and prayer was from Isaiah 55:12-13 - "For you shall go out in joy and be led forth in peace; the mountains and the hills before you shall break forth into singing, and all the trees of the field shall clap their hands. Instead of the thorn shall come up the cypress; instead of the brier shall come up the myrtle; and it shall make a name for the Lord, an everlasting sign that shall not be cut off."

## Key Features:

1. An extra ordinary burden gripped the heart of the believers and the leaders of the church for the city of Edmonton and the Nation of Canada: This drove many of our people to drive through the city throughout the night and pray.
2. Baptism in the Holy Spirit: People were baptized in the Holy Spirit for the first time and most of them were young people. They were ministered to by the Lord in the most unusual manner even through dreams. Some of them felt so strongly that their whole body was on fire while they were sleeping. Few of them sensed that they were being electrocuted by the Power of the Lord. There were also reports of the Power of God falling on people while they were sitting in weddings and their mouths opening in an irresistible manner to speak in unknown tongues. This experience continued as there were more reports of people coming under the Power of God while they drove back home after the meetings. The most fascinating aspect is that these happened to be people who were never exposed to anything supernatural and unusual before.

3. There was such a powerful anointing of prayer that was seen almost every night. People continued to pray sometimes until 2 am in the morning. These precious people were seen sitting in groups and alone in a room or space available in the church. Once again, a lot of them were young people who were gripped by this anointing of prayer.
4. Powerful prophetic ministries were seen manifesting in the church with such detail. The names of people, places, and significant dates were given by the Lord, even in dreams, to those who were prophesying. The church noticed that there was a marked shift in the ministries and anointing of all who ministered in this fasting Prayer and Fasting; and this still continues.
5. The church, fervently moved by the Holy Spirit, had the most powerful prayer for

the Nation of Canada and this time there was something distinctly uncommon. The church celebrated the blessed connection that Canada has with the Nation of Israel. The flags of the two nations were hosted and joined in prayer signifying not only the unassailable connection that Canada has with Israel but also the connection our church will have with Israel in the days to come. The church prayed mightily for missions across the globe and especially the ministries of TAMI and its leadership.

The remarkable part is that this move that began in the Prayer and Fasting seems to indicate that it is here to stay, will gain greater momentum and have more intensity in the days to come. Ever since the Prayer and Fasting came to an end, the church is experiencing a powerful move of the Holy Spirit even in its regular Sunday services. As more and more new people are drawn to the church, we say, "More Lord, More."

REPORT FROM

## **VICTORY INTERNATIONAL AG WORSHIP CENTRE**

TRANSFORM – 'The Youth conference on August 15, was absolutely astounding and we are still amazed at the mercy of God and His goodness! This meeting was geared to see many lost youths saved, dedicating their lives to Christ. The church hall was full; all our hearts were blessed by the anointed worship by Pastor Shiro Mani and Brother Vijay Kothawale, as we sat listening to their testimonies.

Our main preacher, man of the Holy Spirit, Dr. Alias Jacob from UAE preached from 1 John 3:1-3 and the theme of his message was – To be called children of God. Dr. Alias and Rev. Ravi Mani together with the leaders and all the

youth worshiped and danced and praised Jesus and met His goodness. God's presence was in the entire service. Many of the youth came from different districts of Karnataka state.

God started moving powerfully! The concluding message and the invitation by Dr. Alias and Rev. Ravi Mani saw many young people at the altar praying and crying out to God, to transform, anoint and use them for the expansion of God's Kingdom!

This conference was a gift from God to all the young people, significant because it was on the day of our nation India's Independence. We praise the Lord for what He has done in the Youth Conference and look to the days ahead as we have experienced a mighty touch of revival in our church.

The VIAGWC thanks TAMI, Sharjah for sending Dr. Alias and Mrs. Annie Alias, as all the youths are exhorted by this conference and we have all been very encouraged and inspired to reap more souls for the Kingdom of God.

# A PATHWAY TO UNITED KINGDOM

BY DINO SKARIAH

Travelling to UK for ministry came all of a sudden during our annual 21 days of prayer and fasting. This trip came as the fulfilment of a prophetic word that was spoken to me a month before the trip!

The Holy Spirit gave us an instant and timely word that blessed both the church that hosted me and myself. While God speaks to the corporate body with a rhema word, He also speaks specific word to individuals by their name to set them free, to be whom God has called them and to be on fire for Jesus Christ. The Holy Spirit attested the preaching of the word with power and its demonstration. People experienced the fire anointing and were filled with His presence.

As a minister of the Lord Jesus and the Holy Spirit, I admired the hunger that people had when they ended up cancelling their pre-planned programs just to receive from Him. A meeting was called even on a Saturday,

where the message was delivered for three hours at a stretch. None in the meeting were distracted including the children and young people. Undivided focus is what I witnessed in everyone present.

There is a divine mandate upon The Apostolic Ministries International, to impart the gifts of the Holy Spirit under supernatural covering of God. This is globally extended to see a new dimension birth forth in every area we tread our foot upon and enhance the divine connection God has bestowed upon us.

We are earnestly continuing to pray; and asking all of you to join us, for the complete healing of a 12 year old girl from eczema.

Hoping to see additional set of ministers on our next trip to be blessing to UK.
